

MINUTES

OHIO ROUNDUP STEERING COMMITTEE

June 19, 1994

Chairperson Tim Romp opened the meeting at 10:30 a.m. with a moment of silence followed by the Serenity Prayer. The minutes of the previous meeting were accepted.

The Charter that was mailed to each officer and delegate was reviewed. It was noted that amendments and other changes need to be updated for the change over to the next tenure in August.

Larry gave a positive report on the progress of the Cincinnati roundup.

Howard W. gave the treasurers' report.

Vaughn B. reported on the progress that was being taken for submission to have the Roundup in Dayton in 1995. He also reported on the first Kentucky roundup. A fire started by a candle in the hospitality room caused considerable expense. Other than that it was a very positive Roundup.

Tim stated his concerns about the small attendance at this meeting and asked each delegate to report back to her/his city about the need for action and commitment in order to continue the direction of the steering committee. A number of offices and delegate positions will have to be filled in August.

The next meeting will be held at 4:00 p.m. Saturday at the Roundup.

The meeting was adjourned.

Respectfully submitted,

**Dean C. Reeder
Secretary**

P.S. Would you please help me have the enclosed list of members accurate for the August meeting. Thank you!
